TO: - Ho Chi Minh Stock Exchange

On March 29, 2013, Gemadept Corporation received the official letter No.402/2013/SGDHCM-NY of Hochiminh Stock Exchange requesting us to confirm and make public announcement for information concerning the transfer of Gemadept Tower. We would like to explain about the issue as follows:

Gemadept Corporation has been carrying out the restructuring policy approved by the Annual General Meeting of Shareholders including transfer of some assets for investment concentration on core businesses determined by the Company's Board of Management. Gemadept Tower has attracted some potential investors and we are now under negotiation process with them.

Nevertheless, Gemadept has not yet signed any official sale and purchase agreement (SPA) of said building. Consequently, we still have no basis for public announcement pursuant to the regulation at Circular 52/2012/TT-BTC.

Gemadept Corporation will make public announcement upon signing the SPA (if any) of Gemadept Tower following to the regulation of Circular 52/2012/TT-BTC.

Yours faithfully,

COMPANY'S REPRESENTATIVE
